Koodjul Miyal Virtual Stereo Exhibition

2026 Catalogue of Results

Karrinyup, Western Australia (Carenilup - "the place where bush kangaroos graze")

"We acknowledge the traditional owners of the land on which this virtual exhibition is based, the Whadjuk people of the Noongar nation and pay our respects to elders past and present. It is a privilege to be hosting this exhibition from Karrinyup. Noongar people have lived in the south-west of Western Australia for more than 45,000 years. Sovereignty has never been ceded. It always was and always will be, Aboriginal land."

The Koodjul Miyal (Two Eyes) Virtual Stereo Exhibition is an International Competition for Real Digital Stereoscopic Photographers held during Makuru (June - July) of each year hosted by the Western Australian 3D Club from Karrinyup, Western Australia (Carenilup - "the place where bush kangaroos graze").

There are three sections in the exhibition:

1. "Altered Reality/Creative"
2. "Scapes"
3. "Open"
